

ENERGY INNOVATIONS SMALL GRANT PROGRAM REQUEST FOR TECHNICAL ASSISTANCE

Request technical assistance in the following area(s):

- ☐ Recommend a technical expert for technical consultation or for subcontracting out project tasks.
- ☐ Recommend a laboratory for subcontracting out project tasks.

Please provide a detailed description of the specific type of assistance needed in the box below.
(use additional paper if necessary, and do not include any proprietary or confidential information)

Attach a brief pre-proposal abstract to this form that describes the project for which you are requesting technical assistance.

Note: Do not include proprietary or confidential information in the pre-proposal abstract.
